In the event of a rule violation the Tournament Director may impose such sanctions, as he deems appropriate including, without limitation, disqualification, forfeiture of prizes, entry fee and prohibition from participation in subsequent tournaments. The decision of the Tournament Director and Tournament Officials will be final in all matters. It is at the Director's discretion to make a change where safety is a concern. All Federal, State and local laws must be obeyed, and it is the contestant's responsibility to know these laws.

A team is allowed to substitute an angler once during the season. In the case of a 3 fish per fisherman limit and a team member can't fish, an immediate family member may act as a substitute. Each contestant must have a valid fishing license. No substitutes are allowed for the two-day Classic. Points may not be transferred between teams. Points accumulated in any Division will remain in that Division.

3. ENTRY FEES: The entry fee is \$ 300 per TEAM. **You have to fish 4 events to qualify for B.A.S.S. Team Championship! Any contestant who displays poor sportsmanship, violates these rules or any state or local laws or brings unfavorable publicity to the sport of bass fishing will be disqualified. Encroachment is considered a sportsmanship rule.

6. BOATS AND MOTORS: There is no horsepower limit; however, no engine may exceed the BIA horsepower rating for the boat on which it is used. **If you qualify for B.A.S.S Team Championship, they have a horsepower limit of 250 hp.** All boats must meet U.S. Coast Guard and state regulations. All boats must have an emergency kill switch. All boats must have an aerated live well large enough to sustain the tournament limit of five (5) fish in releasable condition. Extra gas tanks must be secured and must meet U.S. Coast Guard specifications.

7. SAFETY: Boating safety must be observed at all times during practice and competition. Major League Series – B.A.S.S Team Championship Qualifier 2019

9. PROTESTS & POLYGRAPH: All protests must be submitted to the tournament director before the close of the scale. The burden of proof will be on the team filing the protest. All contestants, winners and non-winners, are subject to a polygraph test, but if a polygraph is administered due to a protest, the team filing the protest must provide a check in the amount of \$500 payable to the Major League Series LLC. If the polygraph results show the protest is invalid, the team filing the protest will forfeit the \$500. If the protest is valid, the \$500 fee will be returned to the team filing the protest, and the disqualified team will incur all costs incurred. Failure to submit to a polygraph test will result in immediate disqualification. Any contestant who has failed a polygraph test in connection with any bass tournament for cheating will not be eligible to compete in any 2019 Major League Series.

10. OFFICIAL BOATS: Officials will be on the lake for boat inspection and observation during tournament hours. Each contestant is required to cooperate with all requests.

11. CONSERVATION: This is a primary concern of the 2019 Major League Series. Adequate live wells are mandatory on each boat and must provide aeration to maintain fish in good condition as every effort will be made to release as many live, releasable fish as possible, following each day's weigh-in.

12. TIES & TIE BREAKERS: In the event of a tie the first tiebreaker will be big bass. The second tiebreaker will be a coin flip. In the event of a tie in regard to the big bass, the first and only tiebreaker will be a coin flip.

13. SCORING: The format of the 2019 Major League Series is that of a competitive fishing team tournament. Entered teams will work together to weigh in 5 fish per day with a minimum of **14" (inches) in length**, unless state or lake limits are greater, measured on a flat board with mouth closed and fantail-ed. A dead fish penalty of **.30 pound per fish** will be deducted from the total weight. Any team bringing more than 5 fish to the scales will be disqualified for that tournament day. Tournament standings will be determined by the total weight for the competition days of the tournament. Only largemouth and smallmouth bass will be scored. Any team weighing in a fish shorter than the legal tournament length (14 inches) will be disqualified. Each team is required to leave from and return to a specified checkpoint. Any team returning to the checkpoint late will be disqualified. Points System is, 1st Place gets 100 points, second place gets 99 boats, third place gets 98 points and down. Then we add them points to your total weight for your total points on the event. If you fish but don't weigh, you will get 50 points for that event!

14. CULLING FISH: No culling of any kind is allowed at the tournament weigh in point, marina or beach. It is the responsibility of each team to remain within the legal limits of the state to keep no more than that maximum in the boat at any time. If more than this amount is found in the team's boat during tournament hours, the team will be disqualified for that day's tournament. Culling is allowed only if legal on the permit.

15. PERMITTED FISHING WATERS: No fishing is allowed inside the tournament weigh-in site. Contestants cannot leave the boat to land a fish. Navigable waters are the only waters to be fished in the tournament. Contestants must be able to drive their tournament boat into the fishing area without getting out of the boat. Both contestants must remain in sight of each other at all times. All fishing must be done from a previously inspected boat. No tube or wade fishing is allowed. Boats may not be trailered to and from weigh-in during the tournament hours unless under the direction of the tournament director. No fishing is allowed within 25 yards of another tournament boat without that boat's permission. No fishing is allowed within 50 yards of another anchored or tied tournament boat with trolling motor out of the water and anchored in a stationary position (Talons and Power Poles are not considered anchors). Only the contestants may be in the boat during the tournament hours. Having a non-contestant sit on a hole for you will be grounds for disqualification.

16. FISHING HOURS: Will be from 7:00 AM to 3:00 pm. The check in and check out points will also be disclosed. It is the contestant's responsibility to obtain this information from the Tournament Director. Teams not back to the checkpoint by 3:00 pm will be disqualified.

17. GUIDES: No guides may be used within a week of the scheduled event.

Any tournament boats fishing during tournament hours without having been inspected will be automatically disqualified for that day's contest. It shall be the responsibility of each partner to appear at a mutually agreed upon location with sufficient time remaining to check in at the official check point and have the contestants boat inspected.
